ANUBHA SINGH

Product Manager — Inventory Intelligence & ML Platforms

Bangalore • +91 7903762263 • anubhabit687@gmail.com
LinkedIn • Portfolio • **CSPO® & AIPO® Certified**

Product Manager with 3+ years of experience across omnichannel fresh retail, consumer platforms, and hyper-local supply operations. Proven record deploying predictive ML models (demand forecasting, ETA prediction), building BigQuery/Looker telemetry foundations, and operationalizing model outputs into control tower and dark store decision systems.

CORE SKILLS

Inventory & ML Platforms: Demand Forecasting Algorithms, Replenishment Planning, ETA Prediction ML, Control Tower Ops, Data Foundations
Data & Analytics: SQL (Event-Level Querying), BigQuery, Looker, CleverTap, Postman, A/B Testing, Metric Instrumentation
Platform Systems: Event-Driven Pub/Sub, Redis Usage Counters, REST APIs, Webhooks, Rules Engines, PRDs & API Contracts
Product Craft & Tools: Agile/Scrum, Sprint Planning, Figma, Jira, Requirement Traceability (DOORS), Python (pandas, NumPy)

PROFESSIONAL EXPERIENCE

Classplus — Associate Product Manager (Subscriptions, Monetization & Lifecycle)
Apr 2026 – Jul 2026 | Noida

- **Subscription & Paywall Funnel:** Owned subscription lifecycle and onboarding architecture for Postly; revamped paywall flows across 4K–6K daily signups, driving order conversion to 42% and recurring UPI autopay mandate conversion to 13–18%.
- **Retention & Revenue Engine:** Improved renewal rates to 26–40% and lifted Day-0 trial mandate engagement to 55–72% via personalized content-freshness triggers; automated content delivery pipelines driving INR 6L lifetime and INR 4L MTD revenue.

KPN Fresh — Associate Product Manager (Payments & Platform | 300+ Stores)
Feb 2024 – Apr 2026 | Bangalore

Data, Applied ML & Operational Intelligence

- **Replenishment & Demand Forecasting:** Improved demand-forecast accuracy by ~15% for replenishment planning via a predictive algorithm; cut manual operational reporting by ~20 hrs/month by establishing a core domain data foundation and operational Looker dashboards.
- **ETA Prediction ML Models:** Delivered 70% last-mile and 54% order-to-packed ETA accuracy through machine learning models, translating algorithmic predictions into actionable, rule-based control tower operations for dark store and hub fulfillment.
- **Algorithmic Catalog Ranking:** Automated catalog ranking using 15-day sales velocity and cumulative percentile logic by zone and category, eliminating 30–35 hrs/month of manual effort and driving AOV from INR 438 to 491 (~12% uplift) in one month.
- **Cross-Org Data Alignment:** Cut analytics story delivery time by ~30% across a shared data function spanning three WestBridge portfolio orgs (KPN Fresh, IBO, SAVO) by owning sprint planning, backlog prioritization, and cross-team execution.

Platform & Event-Driven Systems

- **Centralized Promo Manager:** Owned 0-to-1 launch of rule-based Promo Manager across app, web, and POS; enabled business teams to configure eligibility, stacking, and cap rules in under 5 minutes vs. 1 day.
- **Event-Driven Pub/Sub Flow:** Partnered with engineering on an event-driven Pub/Sub redemption flow (DB writer, notifications, and real-time Redis counter) enforcing limits and closing race-condition overshoots across app, web, and POS.
- **Self-Serve Refunds & CX Automation:** Owned refunds end-to-end via Razorpay across app/web self-service and CX tools (4L+ refunds, 85% self-service), reducing CX calls from 45% to 15% and TAT from 48 hrs to ~12 mins, unlocking INR 4 Cr repeat orders.
- **Analytics & Telemetry Stack:** Led SDK/API analytics integrations on Android/iOS (80+ events) and restored 100% historical CleverTap profiles via BigQuery reconciliation scripts (2M+ records) to power retention and buying signals.

Quleep — Founding Product Manager | 0-to-1 B2B SaaS
Jan 2023 – Jul 2023 | India

- Owned 0-to-1 launch of AR-powered B2B SaaS marketplace ARNxt across Web, Android, iOS, and whitelabel; built internal tooling cutting 3D/AR catalog onboarding turnaround time by 24+ hours for 30+ merchant partners.

Siemens Ltd — PMO Professional (Strategic Program Governance — Mobility)
May 2022 – Nov 2022 | Gurugram

- **Cross-Functional Initiative Governance:** Directed organizational assessment and process audits alongside Siemens Advanta Consulting, evaluating business operations to prioritize and drive 45 core improvement initiatives across Engineering, Procurement, and Quality workstreams, collaborating across APAC markets (Australia & New Zealand, Indonesia, Korea, Malaysia, Singapore, and Thailand).
- **Stakeholder Alignment & Requirement Traceability:** Aligned regional business leaders with global executive assessors, and managed end-to-end requirement traceability using IBM DOORS during the turnkey infrastructure bidding phase.

Urban Company — Category Growth Associate & Intern
Apr 2021 – Apr 2022 | Bangalore

- Scaled Personal Chef category to 220+ subscribers in 7 months (45% MoM retention); maintained trial service delivery >70% and subscription delivery >89%.
- Improved AC category NPS from 42 to 45 by managing 20+ SMEs and partner quality audits across 10K+ professionals; built SQL/Redash operational dashboards.

EDUCATION & ACHIEVEMENTS

B.Tech, Electronics & Communication Engineering (ECE) — BIT Sindri, Dhanbad (CGPA: 8.23/10 | Top 1% JCECE)

• **Transformer of the Year Award — Urban Company** • **NextLeap Top PM Fellow** • **SIH Finalist (Top 4 / 900+ Teams)**
